

# Duchess Park Photo Day!

## Thursday September 12, 2024

### Tips to keep in mind:

- The school administration may require that no hats/caps be worn in the photos so ensure you don't have "hat head" for picture day by not wearing your hat/cap at all on photo day.
- By preparing in advance your school portrait will look great in the yearbook and on your ID card. Make sure you are happy with how you look prior to having your photo taken.
- Wear your favourite clothes and colours that suit you and remember to smile!
